OUR MISSION STATEMENT

Interlake Child Care & Learning Center creates an inclusive and vibrant community with families and young children. Interlake’s loving environment and anti-bias, culturally relevant curriculum inspires children to grow into competent, confident and compassionate citizens of the world.

A LITTLE BIT ABOUT US . . .

Interlake provides full and part-time care for Infants, Toddlers and Preschoolers. Founded in 1982, Interlake is a NAEYC accredited 501(c)3 non-profit center, governed by a Board of Directors comprised of current and former parents. Every dime we raise and receive is invested directly into our program toward our mission of helping you raise your children to be responsible, creative, compassionate human beings.

Interlake provides a warm and caring environment that celebrates diversity and allows children maximum freedom of choice while ensuring their physical and psychological safety. Our website provides some background information on Interlake as well as details on programs offered, rates and hours of operation. You can also request a tour or view our waiting list policy by completing one of these forms on our website.

OUR TEACHERS AND STAFF

Our staff is dedicated to establishing a supportive, child-centered environment that enriches each child’s love of learning. They bring a rich history and a variety of learning techniques to share with the children. Teachers and staff members are encouraged to continue their education and professional development in early childhood education, in an effort to provide your children with an emergent curriculum and classroom environment that will foster growth and exploration.

FOOD PROGRAM

We provide a delicious vegetarian meal program featuring wholesome, homemade foods that offers plenty of variety. A hot lunch and all snacks are included in the cost of tuition. We can adjust the menu to accommodate your child’s special dietary requirements. **We are also a nut-free center.**
